

Need HELP?

We're Here for You —
Free, Fast, With Dignity

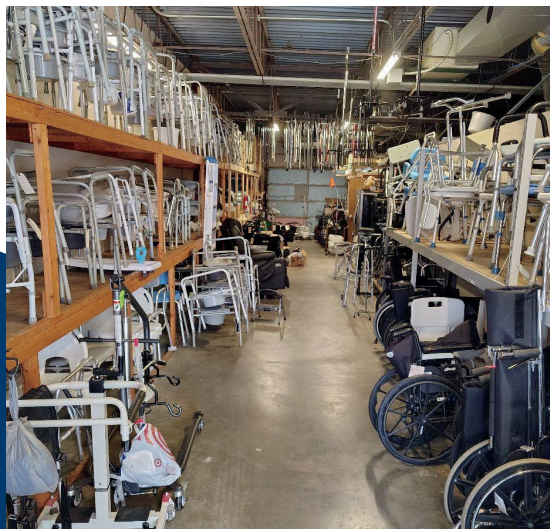

STLHELP provides free home medical equipment—walkers, wheelchairs, hospital beds, shower chairs, and more—so you or your loved one can heal safely, regain independence, and live with dignity.

TO REQUEST HELP: visit

Testimonials

"St. Louis HELP helped my daughter walk after surgery. Such a big help." R. Little, St. Louis

"My husband broke his back and was released home on a walker but needed a wheelchair to get around outside with ease. We're both beyond satisfied." – N. Holder, St. Louis

Give HELP

STLHELP exists only through your support. Too many go without the equipment they need. We can change that — neighbor to neighbor.

The Power of Giving:

- \$50 = 2 walkers for neighbors regaining independence
- \$100 = 5 shower chairs for safe bathing at home
- \$250 = 1 hospital bed so someone can heal safely
- \$500 = Mobility support for a child with special needs
- \$1,000 = One month of equipment for 40 families in crisis

HELP us help others (scan QR to support STLHELP).

Turn Equipment Into Life-Changing Help

Drop off used home medical equipment at one of our eight locations (scan QR for hours & locations).

Every piece of equipment we give restores independence — and hope.

Since 2008, the nonprofit STLHELP has provided free, refurbished home medical equipment to thousands of people across our region. This generosity is possible through people like you in greater St. Louis who donate equipment they no longer need to STLHELP.

Every year, your support keeps more than 150 tons of equipment out of landfills — helping neighbors heal while protecting the planet.

Together, we change lives - restoring independence, preserving dignity & caring for the planet.
