

Make a Lasting Impact: Include STLHELP in Your Will or Estate Plan

By including the St. Louis Health Equipment Lending Program (STLHELP) in your estate plans, you leave a legacy of compassion — helping future generations regain mobility, safety, and independence.

Why Leave a Legacy Gift?

- Impact for years to come: Your gift helps provide free, refurbished home medical equipment to people in need throughout the St. Louis region.
- Simple and meaningful: You can make a lasting difference without affecting your current income or lifestyle.
- Tax benefits: Planned gifts may reduce your taxable estate and offer potential income or capital gains advantages.
